CRANCLEAN

食品添加物不使用

クランベリー＋プルーン＋食物繊維

Cranberry EX

Cranberry+Prune+Dietary fiber

A **super sour** soft jelly made with cranberry and prune for your comfortable life

Cranberry and prune for women

"Cranberry EX" is a soft jelly focused on fruits' own nutritions.
The usefulness of cranberry, the main ingredient of this soft jelly, is well known especially in North America where the fruit is originated from, and it has been cherished mainly by women there.
Another important component is prune, a famous fruit as a great source of iron.
Quinic acid, polyphenols, iron and dietary fiber will support your daily life.
Please enjoy the **strong sour taste** of fruits by eating directly from the stick pack, or have it with yogourt, icecream or granola etc.
